

RRD kite Bags

Program: Equipment Bags

GOLF BAG

"Golf sticks do not pay excess luggage".

From this airline regulation when flying, we have taken the advantage literally, designing a bag that has GOLF only graphics.

A secure saving when checking in...

SIZES: One size only 130 x 50 cms conical shape

FEATURES: A thin padded body with plastic padded head for boards extra protection. This bag is the lightest bag in the market that will allow you to check in with the lowest possible weight given by the bag itself. Equipped with the smallest available wheels. Every Kilo costs something in case you have to pay for kiteboarding gear... Only is they find out!

TECHNOLOGY: PU 600 HD fabric external body.

HD side zippers with internal protection and nose reinforcement
